

Instructions Circular

No. (63) for the year 2021

Commissioner of the Egyptian Customs Authority

Within the framework of the follow-up on the implementation of the Advanced Cargo Information system (ACI) for shipments in the seaports, in light of the reception of many inquiries regarding the procedures for the implementation of this system, and further to Instructions issued in this regard.

Kindly adhere to the following:

- When the carrier, captains of ships, their shipping agents, or their representatives electronically send the manifests to "NAFEZA" Platform, the central manifest departments in each customs region shall be notified with the bills of lading numbers that do not contain ACID numbers.
- The central manifest departments takes the necessary action towards the electronic notification to the competent port authority and the unloading company for not unloading goods included in these bills of lading.
- All legal measures are taken in accordance with the provisions of Article (39) of Customs Law No. 207 of 2020 by re-shipping goods that don't have ACID numbers outside the country without unloading them inside Egyptian ports and posts, at the expense of the carrier or his representative.

These instructions shall be applied to what is shipped from abroad to The Egyptian seaports as of 1/10/2021.

Commissioner of the Egyptian
Customs Authority
